BOSCH

Works **LikeABosch**

The No. 1 Dishwasher Brand in the World.*

Long-lasting performance and reliability.

*Source: Euromonitor International Limited; retail sales by volume, 2025. ** Most 'BEST IN TEST' wins in Europe. Comparative product test wins awarded by independent test institutes in 2025. *** Bosch energy-efficiency class A and Zeolith (60 cm) dishwashers are produced in Germany.

Made in Germany. Built to last.

Becoming a benchmark in millions of homes is no coincident. It is the result of half a century of dedication, learning and a relentless pursuit of perfection.

Our story is forged in Germany, at the heart of our engineering, home to one of the largest and most advanced dishwasher factories in the world. This is not just a production site; it is the epicenter where traditional craftsmanship meets future innovation, and where every idea undergoes the most rigorous testing before reaching your home.

Every Bosch dishwasher* is built on a high-quality steel frame — our guarantee that it will stand the test of time and deliver impeccable performance.

This is the commitment we have upheld for 50 years. But true quality isn't just built; it's proven.

We invite you to discover how.

*Bosch dishwashers with energy efficiency class A and Zeolith (60 cm) are produced in Germany.

Precision & Durability.

Quality

Bosch energy-efficiency Class A dishwashers are produced from premium stainless steel. **Built for lasting quality.**

Accoustic lab

Over **800 sound** measurements yearly ensure Bosch dishwashers operate almost silently in our Acoustics Lab.

Endurance Tests

In endurance tests Bosch dishwasher doors are tested up to **100,000 openings**, baskets up to **20,000 movements** - simulating years of usage.

Dishwashing lab

In our Dishwashing Lab, we tackle tough stains and test international residues to continually enhance our programs. **500,000 manually inspected glasses.**

Final check

100% of Bosch dishwashers are tested in full operation before leaving the factory, with automated scans and specialist inspections.

Packaging

Bosch packaging is **rigorously tested**, ensuring every dishwasher arrives safely at your home.

500,000
Manually inspected
pieces.

**Tested down to the
last detail. Designed
for every day.**

**Your
dishwasher, in
the best hands.**

24/7, 365-day support.

We're with you every step—from tips for your new dishwasher to troubleshooting guidance.

Quality care and cleaning.

Our cleaners, descaler, salt, and rinse aid are Bosch-tested for safe, efficient use, maintaining low consumption and high performance.

Warranties for your peace of mind.

Choose extended warranty options that protect your investment and give you access to exclusive service offers.

Service you can trust.

Authorized technicians with decades of experience for precise repairs and a hassle-free experience.

Genuine spare parts, longer lifespan.

100% Bosch parts with extended availability of a wide range for up to 15 years.

**Trust in quality
that lasts.**

Imagine a dishwasher that works in near-absolute silence while life goes on in your kitchen. Imagine receiving it at home, knowing it has been protected to arrive perfectly intact. That's the Bosch experience: quality designed in every detail to give you ultimate peace of mind, from day one and for years to come.
