Terminating the programme ...

While the programme is running, press the START button for approx. 3 sec. (Reset) until all displays go out.

The remaining programme sequence for draining the residual water takes approx. 1 minute.

Loading the dishwasher correctly ...

Dishwasher-proof utensils not soiled with ash, wax, lubricating grease, ink or adhesive labels; remove large remnants of jam, milk products and food according to the operating instructions and check that the spray arms can rotate freely.
